*April 9, 2020*

*Greetings Family and Friends,*

*First, we extend a huge thank you for working with us patiently as we strive to keep our residents' health and safety a priority. The many restrictions we have had to impose on visitors has been very difficult for everyone, especially residents and you, the family and friends. We greatly appreciate your support and understanding in this extremely challenging time.*

*Using technology like Skype and FaceTime to keep you connected has been successful and with the Easter long weekend upon us, we recognize there may be a greater demand to connect with your loved one. To ensure you have the opportunity to visit virtually, Recreation staff, who normally do not work statutory holidays, and Marisa from Spiritual Care will be here and happy to support you and the residents so please continue to send requests for visiting time.*

*Although we are not able to celebrate physically, know our spirit and prayers are with you and your family this Easter. May the God of all our understanding strengthen us and may the gift of peace be in all our hearts, especially now in the midst of such uncertainty.*

*Paloma can be reached at [recreationplanning@columbusresidence.ca](mailto:recreationplanning@columbusresidence.ca)  
Marisa at [mku@columbusresidence.ca](mailto:mku@columbusresidence.ca) and 604-321-4405 ext. 132*

*With grateful hearts,  
The Leadership Team*
