

May 8, 2020

**Good evening Columbus Community,**

Mother's Day is on Sunday May 10<sup>th</sup>. We appreciate that it will be very difficult that you are not able to visit your Mother that day. We wanted to send you a message to share with you how Columbus Residence will be celebrating Mother's Day in the coming days. On Sunday May 10<sup>th</sup> we have planned a special Mother's Day Dinner that includes Broccoli & Cheese Stuffed Chicken Breast, mashed Potatoes, vegetables and mango mousse cake for dessert. Lyndia, our Music Therapist will be in that afternoon, and will be on the care floors serenading our residents for Mother's day too. On Monday May 11 our Recreation team will be having a rolling Mother's Day tea in the afternoon for the main floor and 2<sup>nd</sup> & 3<sup>rd</sup> floors, serving strawberry shortcake. On Thursday May 14, our Recreation team will be going to the 4<sup>th</sup> floor for a rolling cupcake Mother's Day Tea extravaganza in the afternoon, which will also include music by Lyndia. We know it is a different Mother's Day than you probably would have planned, but we will do our best to recognize and celebrate your Mother's, and make sure they feel special.

We are doing well here at Columbus, and have remained COVID-19 free. Our staff continue to work diligently, following all the precautionary measures that have been put in place. I want to thank you for your on-going support and trust that we are doing the best we can to keep Columbus safe and protected from the virus.

As a reminder, all restrictions remain in place, and there are currently no in person visits allowed.

Wishing you all a beautiful Mother's day weekend. Stay safe and be well.

Sincerely,  
Jaime and our team at Columbus Residence
