

IN ROOM VISITS

During your visit, we ask that you please adhere to the following safety protocols:

- Wear the medical mask provided during the entire visit, sanitize hands every time you touch your mask or face
- Practice respiratory etiquette (cough or sneeze into elbow)
- Remain in the room during the entire visit
- Upon exiting the room, perform hand hygiene
- Go directly to the exit and check out with the Screening Staff
- Doff mask and perform hand hygiene when exiting
- Leave Columbus property after exiting the building

Thank you for helping keep the residents, staff and others safe!
